Can put on a coat, cap or slippers, can climb upstairs using alternating feet and can copy a circle.

#### Our Vision

Our staff members are trained to be recognized leaders in providing TLC and extraordinary educational programs. We pride ourselves on our distinctive blend of fun and learning in a safe and nurturing environment.

We as teachers during this stage encourage lots of play time and observe the childrens' reactions. We teach them how to follow rules and clean up by using a favorite song, we assist them with putting on clothes, coats, hats, etc., we teach them how to recognize colors, shapes and the alphabet and give simple homework assignments.
